# Psychic Predictions for 2014

Courtney Cox's guru Thomas John reveals what's in the stars

**Who Will Be Taylor's Next Boyfriend?**  
No more high schoolers or boy banders! "She needs an older guy and she'll find him," John says of Swift, 24. "He's a producer/writer type, not famous." A ring is next! "She'll be engaged in 2013!"

**Will Harry Pop the Question to Cressida?**  
"Not in 2014," forecasts psychic Thomas John. But the spare heir, 29, and 24-year-old aristocrat's daughter will get married — eventually, John muses of the couple, dating since the summer of 2012. "They can endure."

**Will Jessica Have a Baby Bump?**  
Biel, 31, is already expecting, proclaims the mystic. "It will be hush-hush for three more months, then she'll reveal her pregnancy," he says. The actress and husband Justin Timberlake, 32, should think pink for the nursery, hints John. "It's a girl."

**Will Liam and Miley Get Back Together?**  
Nope, Hemsworth, 24, "is not into her anymore," John says. Cyrus, 21, is also over the roller-coaster romance, he adds. "She's ready to explore sexually, even with women. And I see her posing for Playboy!"

**Who Will Wed First: Brad and Angelina or Justin and Jen?**  
"Neither," John declares. Aniston, 44, and Theroux, 42, "are still just nesting," he says. And Pitt, 50, and Jolie, 38, are on the outs, he says: "Their connection is based on the kids."

**Will George Get a Sibling?**  
The little prince will be a big brother-to-be soon, John decrees. Duchess Kate, 32, "will get pregnant toward the end of the year — with a girl!" But that's all for the royal mom and Prince William, 31, he says. "They will stop with two children."

**Will John and Katy End in Heartbreak?**  
Brace for roaring drama: Mayer, 36, will break up with Perry, 29, John warns. "He hasn't changed," he says of the serial dater, Cue the blues. "Katy will take a break from music, then release 'Dear John' songs."
